

**PATRIMONIUM** is an independent Swiss asset manager of alternative asset classes in the areas of real estate, private debt, private equity and infrastructure. Today, Patrimonium and its affiliated companies manage approximately CHF 4,8 billion for a large number of institutional and private investors and employ more than 70 people in Zurich and Crissier/Lausanne.

In the private equity segment, we invest in medium-sized companies in the DACH region. For this rapidly growing and successful fund strategy, we are currently seeking support for the activities of sourcing, reviewing, implementing and supporting potential and existing investments.

As

## Private Equity Intern

you will become part of the **Private Equity** team at our Zurich office.

### Primary responsibilities

- Preparation of analyses and active assistance with client presentations and projects
- Supporting the team during the due diligence and M&A process
- Preparation of investment documentation and presentation to the investment committee
- Assess investment opportunities by developing financial models and reviewing commercial assumptions
- Support in reporting to our investors

### Profile

- Bachelor's or master's degree, ideally in business administration, finance or similar
- Ideally initial experience in corporate finance, investment banking, M&A or private equity
- Strong entrepreneurial mindset and enthusiasm for business administration
- Proficient in Excel and Power Point
- Written and spoken German and English, other languages an advantage

### We offer

- You will be part of an entrepreneurial company and dynamic team
- Active participation in portfolio management (also on site if necessary)
- Flat hierarchical levels and the opportunity to take on responsibility quickly

**Start of work:** January 2025 or by arrangement, min. 6 months

**Activity rate:** 100%

**Interested?** Please send us your complete application (cover letter, CV, references) via our [recruitment platform](#).
